Heavenly Touch Senior Care - non-medical, in-home care

With today's aging population and elderly people wishing to remain independent as long as possible, David Kenosh saw the need for Senior Care services after providing first-hand assistance within his own family circle.

Nursing Homes and Senior Living Communities are not always a cost effective option. Home Health service providers help people remain in the comfort of their own home and provide them with a level of independence through outside assistance.

Heavenly Touch is locally owned

and operated and is dedicated to assisting seniors with activities in and around the home that they can no longer do or have trouble doing. Such as: light housekeeping, meal preparation, laundry, changing linens, grocery/ clothing shopping, scheduling and driving to doctor's appointments/therapy, assist new mothers, companionship and much more.

The corporate offices of Heavenly Touch have over 12 years experience in Home Care services. The Chagrin Falls office has just celebrated its one-year

anniversary over the summer serving people in Geauga and Eastern Cuyahoga counties, as well as the communities of Aurora and Twinsburg.
